#### **MOBILE OIL CHANGER AND DISPENSER**

### **EXTRACT USED OIL OR FLUIDS ON THE ROAD**

# 30 Litre Air Operated Oil Changer Model # DR-130

Excellent system for extracting used fluids (motor oil, transmission fluid, etc.) directly from the source. Does not require constant connection to an airline.

Equipped with 6 flexible and metal suction probes with adapters for BMW and Volkswagen and a level gauge.

This is a great unit for those providing mobile service and repair.

2 Adapters for BMW & Volkswagen

| Item No                 | DR-130                |
|-------------------------|-----------------------|
| Tank Capacity           | 30L/8 Gallon          |
| Working Pressure        | 100-115 PSI           |
| Hose                    | 6′ 5″                 |
| Air Pressure for Vacuum | 100-115psi            |
| De-pressurization Time  | 60-90s                |
| Suction Speed           | 1.5-2Lpm / 0.4-0.5gpm |
| Suction hose            | 6.5'                  |
| Max. Draining Capacity  | 22L                   |
| Max. Draining Pressure  | 14.5 PSI              |
| Air Inlet               | 1/4" NPT Female       |
| Packaging Dimension     | 27.6" x 15.4" x 13.8" |
| Weight                  | 37 Lbs                |

### FILL, TOP-UP OIL OR FLUID WITH THIS MOBILE UNIT

## Pressurized Mobile Oil Dispenser with Funnel

Model # DI-230

This pressurized oil dispenser is equipped with a delivery gun, pressure gauge, sight level gauge and an anti-splash funnel.

Fill with the unit with 4/5 the capacity and pressurize it 100psi to 115psi and carry it wherever you need to use it. Does not require constant connection to an air line.

Perfect for those who need to fill or top up cars, boats or motorcycles
