

# GOJAK<sup>®</sup>

THE FASTER CASTER SYSTEM

# SUV<sup>™</sup>

Introducing the newest member of the Gojak<sup>®</sup> family,

## Gojak<sup>®</sup> SUV<sup>™</sup> GOJ-7016.

Equipped with four super-heavy duty G.F. nylon casters (ANSI ICWM-2012 certified) and a unique steel roller design, Gojak<sup>®</sup>SUV pushes the limits of what can be moved with an auto-positioning

dolly. Designed specifically to handle Light Duty Class 1 & 2 trucks and SUV's (up to 7000 lbs) in your shop with ease. As always, with the Gojak<sup>®</sup> name, comes Zendex Tool's 30+ year commitment to uncompromising quality, durability and ease of use. Most importantly all Zendex Tool products are designed, tested,

and Manufactured in the USA for years of dependability. With Gojak<sup>®</sup> SUV we have

taken our customers input and designed a truly revolutionary product built specifically to accommodate today's larger vehicles. The Gojak<sup>®</sup> Faster Caster System, there is no better value.

Lifts dual wheel assemblies up to 1750lbs.

## GOJAK™ AUTOMOTIVE POSITIONING SYSTEM

**Ideal For Body Shops, Towing Companies, New Car Showrooms,  
Mechanical Shops, Parking Garages, Classic Cars**

### How Gojak Works

The quick action double pawl ratchet progressively "squeezes" the tire between two rollers until the tire is lifted off the ground. Once all four tires are off the ground, the vehicle can be positioned anywhere in the shop.

Two Gojaks allow you to pivot any car on either axle. Four gojaks give you full dolly style maneuverability.

- 4 swivel, NON-marring full swivel industrial casters - Will not mark showroom floors.
- Precise ratcheting mechanism
- Full control for vehicle movement and positioning

**All models are priced and sold by the unit**

**Model # GOJ-4100L/R**  
For tires to 7" Wide  
1,025 lbs capacity per unit  
(Up to 4,100 lbs capacity with 4 units)

**Model # GOJ-4520**  
For tires to 20" Wide  
1,125 lbs capacity per unit  
(Up to 4,500 lbs capacity with 4 units)

**Model # GOJ-5211L/R**  
For tires to 9" / 11" Wide  
1,300 lbs capacity per unit  
(Up to 5,200 lbs capacity with 4 units)

**Model # GOJ-6313L/R**  
For tires to 13" Wide  
1,575 lbs capacity per unit  
(Up to 6,300 lbs capacity with 4 units)

**Model # GOJ-7016**
