## RUSTPROOFING KIT LRP-L015201

**The LRP-L015201 Rustproofing Deluxe Kit** has a heavy wall, 1 litre container that raises the pressure rating to 125 psi max, allowing the gun to have better atomization and much faster delivery in heavier products.

The RP-460-HD works with most undercoating, rustproofing or anticorrosion products.

The needle, seat and suction tube are stainless steel.

### Features

- Professional Quality
- Deluxe Version
- All metal gun body
- Easy to use
- Easy to clean
